

Community Bible Church General Policy & Procedure

Reservations:

Groups and organizations of the church have full use of the building at no charge, subject to available space, as determined by the master calendar in the office. We accept donations for building usage, receipt available. Community Bible Church reserves the right to require a \$250 refundable deposit.

An application for use of the facility must be submitted to the church office. The application will include information about the nature of the group and event, the name and contact information of responsible party, the dates, times, and space requested for the function.

The facility is available on a first come first serve basis, once your application has been accepted.

As priority ministry needs come up (funerals, weddings, etc.) Community Bible Church reserves the right to relocate or reschedule an event as necessary.

Please contact the CBC office at 622-5171, or Sheena at 799-1342 as soon as possible if your plans change and you will not be using the Center at your scheduled time.

CBC staff will be responsible for unlocking and locking the building.

Equipment & Building:

Any use of the church facilities that pose a threat to the persons or property is not permitted.

Smoking, tobacco use, and alcoholic beverages, are not permitted in the buildings or on the grounds of the church. All music/video materials must be family friendly. Use of any wheeled sports equipment (skateboards, rollerblades, etc.) is prohibited. Covering of security cameras is prohibited.

Community Bible Church does not condone or allow any activity that compromises what we believe to be the principles of the Bible.

Nothing is to be fastened to the walls of any room or hall except in spaces specifically designated for your group. No pins, staples, tacks, tape, nails or any other potentially damaging materials are to be used on any part of the permanent structure of the building. Removable fasteners such as poster putty, removable tape or velcro (on the carpeted walls) will be allowed.

Each group will be held responsible for the care and condition of the space and equipment used.

Uncollected lost property will be donated to any charitable cause the church finds appropriate.

The church is not required to provide storage for the property of community groups using its facilities, and is not responsible for equipment, supplies, or property belonging to such groups or their members, or items left behind by participants.

The sound system can only be operated by an authorized church technician. Use of the Church's musical instruments is not permitted unless permission is obtained in advance. Advance notice is required to use the sound system and must be written on the application. Tables and chairs for use in the gym area are in the double-door storage room at the northwest end of the building. Please insure these are returned to storage following use. (the tables and chairs in the classrooms... as well as the classrooms themselves... are not to be used unless prior coordination is made with CBC staff.)

Janitorial Services:

All users are expected to leave the building clean and in the same condition prior to the event.

Unless prior janitorial services have been arranged, all users will perform their own general clean up and return of furnishings to their original positions. All program materials brought by the group will be removed from the space when the event is over. All trash must be removed from the building. *Due to our limited garbage can capacity, please do not place trash in the CBC dumpsters*

Brooms are in the double-door storage room at the northwest end of the building, and there is a vacuum cleaner in the storage room adjacent to the kitchen. Please insure all floors are clean of any material following use of the building. Garbage cans should be emptied of trash (this includes bathrooms), new bags placed in containers (bags kept in the kitchen cabinet next to the entry door of the gym area).

Sound equipment and musical instruments cannot be moved without the permission of CBC to maintain the quality of the building's furniture and equipment and to prevent damage. The user will be held responsible for any damage done to church property, and the user assumes liability for injuries to persons attending the event and for damages or loss of user's property.
